PORTFOLIO : <https://asmbodji.github.io/Digital/>

Driver's licence B

PROFILE

I hold a Professional Bachelor's Degree in Industrial Robotics Vision as well as a Professional Bachelor's Degree in Network Administration and Security, and I have completed a first year of a Master's degree in Information Technology. I am currently looking to further develop my skills in cybersecurity and to specialize more in artificial intelligence. I also wish to specialize in IT support, as I particularly enjoy interacting with users.

FORMATION

- 2026 - 2027 CATHOLIC UNIVERSITY OF LILLE | MASTER'S IN DATA & IA
